

ICC Exams Checklist

Arrive at school at 8.25 to have plenty of time for Y11 breakfast (in the main hall – you will have it to yourselves) when there is a morning exam. Coach and Calm sessions offering top tips for the exam will also take place in the hall.

It is much better to leave a bit earlier in case of problems with the journey.

Candidates who arrive late may still be admitted but it is at the exam board discretion whether the work will be marked. Call the school if you are late to let us know you're on your way.

Ensure you know the times, dates, venue and seat number for your exam.

When taking exams, bags and coats must be left in the designated area.

Mobile Phones – Candidates **MUST NOT** have mobile phones in their possession either switched on or off. Phones must be switched off and left in bags. If a phone is found on you or goes off you can be disqualified from the exam. We will check this as you enter the exam hall. We will do this to support you. **PLEASE REMEMBER TO SWITCH MOBILE PHONES OFF.**

Watches- Candidates **MUST NOT** be in possession of any watch. All watches are unauthorised and are banned from the exam room. Being in possession of any watch is the same as having a phone and risks disqualification. You should not have notes, iPod, MP3/4 players, wristwatches that have a data storage etc. in your possession. Hand in these items or leave them at home.

You should bring the correct equipment you need for each exam: Black ball point pen, pencil, rubber and any other writing equipment needed for your exams. Only clear pencil cases are allowed on your desk, any others should be left in your bag.

In an exam where you have the use of a calculator, you should not have a calculator cover on your desk. This should be left in your bag.

There is absolutely no talking or communication between students once you enter the exam hall, if you have any questions you should raise your hand once seated and an invigilator will come to you.

School uniform must be worn to all Year 11 exams.

No food is allowed in the exam hall. Water bottles are allowed in the exam hall, these should be clear bottles with no label.

Familiarise yourself with the JCQ “Information for Candidates” copies of which have been emailed to you or visit the Year 11 Exams area of the website.

What to do if you are ill on the day of an Exam

If you are feeling unwell, but still able to travel into school and sit your exams, we urge you come to the exam. In most cases, it is better to take the exam if you can. A doctor's note can then be obtained and special consideration applied for.

If you are ill and are unable to attend an exam it is vital you phone the school first thing in the morning to inform us. You **MUST** obtain a note from your doctor detailing the reason for non-attendance. There is the possibility of submitting this note to the Examination Board to ask for special consideration. The Board may look at this in conjunction with other exam marks in that subject and may adjust the mark and grade accordingly.

If in doubt - PHONE THE SCHOOL.

If you do not attend an exam without a valid reason, you will be charged for that exam.
