

# Yr 9 Portraits Project

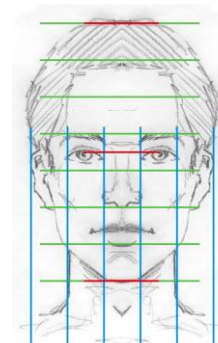

- To create an *accurate* portrait drawing, pencil work must be *light*.

**Van Gogh-** Van Gogh was a post impressionist painter who was very well known for his portraiture work. Van Gogh created this self portrait using vibrant colours and heavy use of mark making creating a sense of movement.

**Lucian  
Freud**

Shape, proportion,  
accuracy, detail,  
blending, tone

Remember! The eye is not a perfect circle. Look carefully at the step by step guide which show you how to create a realistic eye drawing
