

Thank you all for your support during this first half term. As the New Head of School I have been blown away by the warmth of students and staff! Ibstock school is a special place to work. We have had so much going on in this first term, it is hard to capture everything; but from Reward Evenings to Motivational Speakers and Valencia to the trenches of Belgium, OUR students have been given so many opportunities. As well as this, we have had important assemblies on British Values, Black History Month and International Languages Day, all of which were listened to beautifully by your amazing students. Have a great break and I look forward to working with you all again in the next half term!

All Years

Home Learning Timetable – If your child is directed to work at home, the Home Learning Timetable can be found on our website. It is important that when students are not at school, they keep up with the work their teacher has set for them - [Independent Learning Timetable](#)

ID Cards - Purchasing Food - An important reminder that students must have their ID cards for purchasing food from our canteen. It is so great to see so many students using the catering facilities, however, we will have to start asking students without cards to wait until the end, as they are currently holding up queues. Thank you for your support with this.
